NODAWAY'S GIFT TO "OUR COUNTRY"

NEARLY ONE THOUSAND MEN HAVE ANSWERED THE CALL TO SERVE THE COLORS

MANY NOW ENGAGED IN BLOODY BATTLE RAGING

Maryville Volunteers Outnumber the Drafted Men—Many Mothers Have Given Two and Some Three Sons to Nation's Service

Nodaway county has furnished nearly one thousand men to fight for the cause of democracy, a large majority of them being now on the battle front in France.

The Democrat-Forum has compiled official figures of the men in the selective service, showing the total number called, together with the town from which they came. This list on another page is complete and correct. A partial list, also, of the volunteers is given, the names being obtained from back files of the Democrat-Forum since the war started. Many names have been missed, as no record is available from which to secure the correct number or their names.

The number of draft men furnished by Nodaway county is 421. The number of volunteers (with many names missing) is 337, a total of 768 men known to be in service.

Maryville comes first with 109 drafted men and 136 volunteers, the other towns in the county having furnished men as follows:

Skidmore—Drafted, 40; volunteers, 18.

Hopkins—Drafted, 35; volunteers, 5.

Burlington Junction—Drafted, 33; volunteers, 12.

Ravenwood—Drafted 19; volunteers, 10.

Barnard—Drafted, 19; volunteers, 4

Guilford—Drafted, 18; volunteers, 1

Parnell—Drafted, 19; volunteers, 4

Conception Junction — Drafted, 18.

Clearmont—Drafted, 16; volunteers 3.

Pickering—Drafted, 11; volunteers, 4.

Quitman—Drafted, 13; volunteers, 2

Graham—Drafted, 19; volunteers, 8

Elmo—Drafted, 15; volunteers, 1.

Conception—Drafted, 2.

Clyde—Drafted, 9; volunteers, 2.

Wilcox—Drafted, 3; volunteers, 2.

Hoode—Drafted, 1; volunteers, 1.

Bedison—Volunteers, 1.

Dawsonville—Volunteers, 2.

In a number of instances three members of the same family are in service and many mothers have sent two sons. Were the list of volunteers complete it is estimated that nearly one thousand men would be Nodaway county's quota.

SINK AUSTRIAN DESTROYER.

Rome, May 29.—British aircraft attacked Durazzo and sank an Austrian destroyer, it was officially announced today.

NO PAPER MEMORIAL DAY.

In the observation of Memorial Day, there will be no issue of the Democrat-Forum tomorrow.

Names of Volunteers Wanted.

On another page will be found a partial list of volunteers to the colors from Nodaway county. The Democrat-Forum will appreciate the sending of additional names from any part in order that the list may be made as complete as possible. If you know of a volunteer whose name is not shown, send or phone it to this office.

WILL OBSERVE DAY

UNION SERVICES OF ALL PROTESTANT CHURCHES TOMORROW

AT CHRISTIAN CHURCH

A Sunrise Prayer Service at 6:30 for Mothers—A General Prayer and Praise Service at 10:30

In accordance with the desire of President Wilson that tomorrow, Memorial Day, be observed as a day of prayer and fasting, it is announced that union services of all the Protestant churches of the city will be held at the First Christian church.

There will be two services, a sunrise prayer service at 6:30 o'clock, to which the mothers and wives who have sons or husbands in the service of the army or navy are invited to attend. The hour will be spent in prayer and song in honor of the men who have heeded their country's call to fight for liberty and justice.

A second service will be held at 10:30 o'clock, a union memorial service, in which the members of all denominations are urged to attend. The hour will be spent in prayer and praise. The singing will be led by Miss Helen Zenor, and special numbers will be furnished by Mrs. F. P. Robinson and H. J. Becker.

THE DRAFT BOARD IS READY

For Registration of Men of 21—Boys Away From Home Can Register at Once

The local draft board, which will have charge of the registration in this county on June 5, is now ready with the necessary supplies to register all young men who are absent from their permanent address.

The board will do the registering for the entire county at the office of the draft board on June 5. There will be no other places in the county where registering will be conducted. It behooves all men who have reached the age of 21 since June 5 of last year not to overlook this date and duty, as a failure to register involves arrest and a penalty.

Those who are in this county and have their homes elsewhere should register at once, as it is necessary that the record of their registration reach their home board by June 5.

Fined for Assault.

Oliver Howard issued a complaint for the arrest of George Eisman on a charge of assault. Eisman appeared before Mayor W. O. Garrett yesterday evening and was fined $1 and costs.

PLAY AT EMPIRE TONIGHT

"The Man From Montana" Will Be Given for the Benefit of the Boy Scouts of Maryville

Tonight at the Empire theatre the Boy Scouts' big benefit show, "The Man from Montana," will be presented by a good company composed of the best talent available and from observation at rehearsals the performance will be decidedly worth while. Incilded between the acts will be several specialty numbers, one by members of Troop I, Boy Scouts, a real "big time" act by little Scouts.

"The Man from Montana" is a typical western play, with bucking bronchos, cowboys with chaps and spurs, dashing girls in buckskin and sombreros and all the accessories that go to make it complete. A clean-cut comedy, there is plenty of fun and the "making of a cowboy out of nothing" is full of clever situations. The Scouts are raising funds in anticipation of their proposed hike and camping trip next month and the proceeds of the play will be devoted to that purpose.

EXAMINE THE WATER

PHYSICIAN DECLARES TEST IS A VITAL MATTER FOR CITY

IS UNFIT FOR DRINKING

Inability of City to Provide Filtration Makes It Imperative That Precautions be Taken

With the water furnished by the city being in such a condition that many housewives hesitate at using it even for cooking purposes, City Physician L. E. Dean was asked today concerning it. He said that while the water was particularly filthy and was unfit for drinking purposes, that there was no indication that it contaned matter that would cause sickness.

"I am sure no one would want to drink the dirty stuff," said Dr. Dean, "and I would advise that all city water be boiled before using in any manner. While it is disagreeable to taste and full of suspended organic matter, I do not believe that it contains typhoid or other germs. It is really too bad," said he, "that the city is unable to furnish good, pure water."

Dr. Karl Malotte, former city physician, was asked if he had given the city water any particular attention. "None," he replied, "except that I have been horrified to see it in the condition it is at present. While it may not contain poisonous matter it is entirely too vile to drink and should be boiled even before cooking."

"I am not in a position to say whether the city water contains bacteria or not," said Dr. F. R. Anthony, when asked about it today. "I do not know whether an analysis has been made, but I do know that it ought to be done. A community of this size should have the city water examined for bacteria at least once a month as a protection for the public health. The state does it without cost and we have neglected this very vital matter here. The small cost of having a chemical examination made might, perhaps, save the city a scourge of typhoid that would cost many lives. It is a vital thing and should be done."

Said Dr. C. V. Martin, "the city water is too filthy to be used for any purpose whatever. I do not know whether chemical examinations have been made, but its very appearance and condition is enough to condemn it. It should not even be used for cooking and bathing. I think the matter ought to be taken up at once and determine if it contains poisonous matter, it may save us a lot of sickness." Continuing, Dr. Martin said that the managers at St. Francis hospital had appealed for help, the dirty and impure city water imperiling the lives of patients there. The hospital uses city water and has no other source of supply.

IN CANPAIGN TO SAVE BABIES

One of the economic measures in carrying on the war is the saving of the babies. This work is to be conducted through the Council of Defense by the Children's Bureau of the U. S. Department of Labor.

The campaign about to be launched is the saving of 100,000 babies and Missouri's quota is 3,500. Ten thousand Missouri babies died last year who might have been saved with proper care. The weighing and measuring test is giving thousands of communities in the United States opportunity to find out whether their children are well born and well cared for.

Weight and height are a rough index of the growing child, and the test will show individual parents and communities just how each child compares with the average.

Nodaway county is to do her share toward saving the babies.

Mrs. L. E. White has been named county chairman of the Child Welfare committee, and with assistants in the different towns and school districts, will attempt to get the weight and height of every child in the county under six years of age.

THURSDAY NIGHT

Woodman Hall.

Soldier, Rest!

Soldier, rest! thy warfare o'er,
Sleep the sleep that knows not breaking,
Dream of battlefields no more,
Days of danger, nights of waking.

In our isle's enchanted hall,
Hands unseen thy couch are strewing
Fairy streams of music fall,
Every sense in slumber dewing.

Soldier, rest! thy warfare o'er,
Dream of fighting fields no more;
Sleep the sleep that knows not breaking,
Morn of toil, nor night of waking.

A "PATRIOTIC" DAY

MAYOR IN PROCLAMATION URGES PROPER OBSERVANCE

STORES CLOSE AT 10 A.M.

"May We Pray For Strength and Courage to Meet the Crisis We Are Facing, Mayor's Message

PROCLAMATION.

Thursday, May 30, 1918, is a legal holiday throughout the United States and is Decoration Day. The president of the United States has issued his proclamation to all people of the United States, proclaiming the day as a day to be spent in prayer and devotion and patriotic demonstrations, and asking the people to observe the same and make it a great day of prayer and praise to God. The governor of the state has also issued a proclamation to the people of the state to the same effect. Therefore, I, W. O. Garrett, Mayor of the City of Maryville, Missouri, proclaim May 30, 1918, as "Patriotic Day" in our city, and I urge all to observe the same by prayer and devotion. Let us pray the Almighty for the success of America and her Allies in this great war, for the forces that fight with us, for the armies and navies, and all the causes of liberty, equality and fraternity. May we realize that we are in the midst of the greatest crisis in the history of the world, and that our all is at stake, and the courage and strength to meet it successfully must come from God, and we must fight under His guidance. I would ask that the business houses close from 10 a. m., and continue closed for the remainder of the day and that all will do what they can to make the day a notable one in our city.

W.O. GARRETT, Mayor.

Done this 29th day of May, 1918.

Tomorrow Maryville will observe a day of prayer and fasting, the business houses and stores closing for the day at ten o'clock in the morning, following the proclamation of Mayor W. O. Garrett, and in obedience to the desire of President Wilson that Memorial Day be made the occasion of prayer for American arms and the cause for which the Allies are fighting, refraining as far as possible from all business pursuits except those engaged in the prosecution of the war.

There will be union services by both Protestants and Catholics, beginning with a sunrise prayer service by the former at the Christian church, and by high mass at both St. Patrick's and St. Mary's.

NORMAL ENROLLMENT 414

Registration for Summer Term Continues—Graduating Class Exercises Begin Next Monday

Enrollment at the Normal continues today with atotal of 414 students registered early this afternoon. Incoming trains bring others and it is confidently expected that the end of the week will see between six and seven hundred enrolled.

Commencement exercises for the class of '18 will begin on next Monday afternoon. This year it will be in the form of a reception to the faculty and students. The guests will be received by Beulah Beggs, the president of the graduating classes. The class cane will be presented to the junior class by Verne Pickens, president of the senior class. The response will be made by Ella Moore, president of the junior class. Music for the afternoon will be furnished by the orchestra. Vocal solos will be given by Orpha Farris and Murice White. Kathryn Carpenter will give a violin solo and Mahala Saville, a reading. At the close of the entertainment refreshments will be served

"Green Stockings," the class play, will be given in the Normal auditorium Monday evening, June 3, at 8:15 o'clock. This is a lively comedy of modern English social life. Margaret Anglin has starred in it and still retains its copyright. The play will be produced here under the direction of Prof. Harry A. Miller.

CONGRESS MAY RECESS.

Special to The Democrat-Forum.

Washington, May 29. — A tentative agreement to arrange for a recess of congress two weeks to a month beginning about June 15 was reached in a meeting of the house, says the means committee this afternoon. The hearing of the new revenue bill will begin June 6.

FOCH'S RESERVES MEET GERMANS, DEALING TERRIBLE LOSSES

BATTLE ON THE AISNE GROWS IN INTENSITY

Americans Are Fighting Shoulder to Shoulder With British and French Taking Awful Toll — Aisne Is Jammed With Corpses

Paris, May 29.—The Germans are being brought to a halt on the Aisne front. General Foch is bringing up reserves to meet the onrush of the Germans between Rheims and Soissons and slowly but surely the enemy is being checked all along the line. The American troops are with the reserves and are fighting shoulder to shoulder with the French and British. Already they have taken part in counter attacks and correspondents are loud in praise of the way they handled themselves.

The fighting is not letting up, but on the contrary it is growing in intensity, but the Allies are getting the upper hand.

Stupendous losses are being inflicted on the crown prince's forces as they attempt to battle their way forward. The Allies, when they have given up ground, have done so slowly and at slight cost.

The German advance now has taken them across the Vesle river at one point. They are menacing Rheims, an important railway center, but their position is a precarious one, as the British are threatening on one side and the French on the other.

It was on the sector of Pontarcy that the Germans succeeded in crossing the Aisne river. In their drive towards the Vesle crossing it proved a ghastly massacre for the Germans. Hundreds of Allied machine guns swept the river at that point. The German pontoons proved to be floating funeral pyres. The boats supporting

The Joy Of Coming Motherhood

A Wonderful Remedy That is a Natural Aid and Relieves the Tension.

The expectant mother revolves in her mind all we understand by destiny. And it is of the utmost importance that her physical comfort be our first thought.

There is a most splendid remedy for this purpose, known as Mother's Friend. It is applied over the muscles of the stomach, gently rubbed in, and at once penetrates to relieve strain on nerves, cords and ligaments. It makes the muscles so pliant that they expand easily when baby arrives and pain and danger at the crisis is naturally less.

Mother's Friend is for external use only, is absolutely safe and wonderfully effective. It enables the expectant mother to preserve her health and strength and she remains a pretty mother by having avoided the suffering and danger which would otherwise accompany such an occasion. Every nerve, muscle and tendon is thoroughly lubricated.

Mother's Friend is prepared by the Bradfield Regulator Co., Lamar Bldg., Atlanta, Ga. They will mail you an intensely interesting "Motherhood Book." Write them to send it to you, and in the meantime send or phone to your druggist today for a bottle of Mother's Friend.

Every woman should aid nature in her glorious work. Mother's Friend makes it possible for you to do so, and should be used regularly, without fail, night and morning.

Paris, May 29.—The battle of Aisne continues fiercely. Great numbers of fresh troops have arrived on the front and have been thrown into the fighting, the French war office announced today. The French are fighting foot by foot towards the eastern border of Soissons.

London, May 29.—Artillery activity has been renewed on the Flanders front and raids are reported by the war office today, but no mention is made of the fighting on the Aisne.

London, May 29. — Four hundred German soldiers were killed and three hundred injured in the British air raid on Dousi May 18, according to German prisoners.

American Front in France, May 29. —The Americans made their first real attack on the Picardy front and won a victory. The assault was delivered south of Grivesnes and west of Montdidier, where they captured the village of Cantigny and took two hundred prisoners while the losses inflicted up the Germans were heavy. The American casualties were comparatively slight.

Washington, May 29. — Secretary Baker called the correspondents together this afternoon and said the department was receiving constant reports of the splendid valor and successful operation of the American troops now fighting in Picardy.

Paris, May 29.—Two German counter attacks were held against the Americans that captured Cantigny, but both were repulsed, the French war office announced.

DIRE DISTRESS.

It Is Near at Hand to Hundreds of Maryville Readers.

Don't neglect an aching back.

Backache is often the kidney's cry for help.

Neglect hurrying to the kidneys' aid means that urinary troubles may follow.

Or danger of worse kidney trouble.

Here's a Maryville testimony.

H. C. Cornett, painter and paper hanger, 805 North Buchanan street, Maryville, says: "In my work I have a great deal of reaching and standing to do and I was greatly handicapped as my back hurt me severely across my kidneys. I couldn't bend or lift without pain. My kidneys acted too frequently, breaking my rest at night and leaving me all tired out in the morning. I used Doan's Kidney Pills with great benefit."

IN EXPRESS MERGER

FOUR BIG FIRMS AGREE ON A CONSOLIDATION

IS EFFECTIVE JULY 1

One Union Company Will Be Express Carrier for All Railroads and Will Share the Profits With Them

Effective July 1, the two express companies operating in Maryville, the Wells-Fargo and the Adams, will be merged into the one union of express companies for the United States created yesterday by agreement between Director General McAdoo and the Adams, Wells-Fargo, American and Southern express companies, whose transportation business will be merged under a new private corporation with capital of more than $50,000,000 to be known probably as the Federal Express company. George C. Taylor, now president of the American, will be head of the new concern. Effective July 1, shippers will direct shipments "by express" without regard to company, and soon thereafter the individual names of the separate companies will begin to disappear from wagons, stations and cars. The company will be the express carrying agency of the railroads, operating privately, but under contract to turn over 50¼ percent of their gross revenues — more than $200,000,000 last year to the roads for transportation privileges. Three small railroad owned companies, the Western, Great Northern and Northern, may join the combination later.

To Pass On Rate Increase.

A pending application for ten per cent increase in rates filed before government operation of railroads for the express combination were contemplated, will be passed upon soon by the interstate commerce commission.

More than 100,000 employes of the four companies are to be retained under the new corporation and their wages will be raised in many cases according to Taylor. The amount will be determined after the scale of wage advance ordered for railroad employees is examined carefully.

Through economies by the common use of wagons, trucks, distributing stations, city offices, warehouses, railroad cars and other equipment and the simplification of accounting the merged companies hope to save many millions of dollars and to render better service.

WOODMEN PLAN UNVEILING

Service Will Be Held Sunday at the Graves of Deceased Members at the Miriam Cemetery

The Woodmen of the World and the Woodmen Circle will have an unveiling service Sunday afternoon at the Miriam cemetery. The graves of Walter Ferree, John McClaskey and Isaac Trullinger, as members of the W. O. W., and of Mrs. James N. Murray and Mrs. Ella Shipps, as members of the Woodman Circle, will be unveiled.

The members are requested to meet at the hall at 2:30 o'clock and, headed by the Maryville band, they will march to th ecemetery.

Yet Suffered with Functional Disorder and Was Cured by Lydia E. Pinkham's Vegetable Compound.

Spring Valley, Ill. — "For many months I suffered from periodic pains—I doctored with our family physician but received no relief—then I explained my trouble to another doctor and he advised me to take Lydia E. Pinkham's Vegetable Compound. Soon after taking it I began to notice a change for the better, and after taking six bottles I am in perfect health, and I cannot thank you enough for the relief it has given me."—Miss KATE LAWRENCE, Box 725, Spring Valley, Ill.

School girls and girls who are employed at home or in some occupation should not continue to suffer tortures at such times, but profit by the experience of Miss Lawrence and thousands of others who have tried this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, and found relief from such suffering. If complications exist write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience in advising girls on this subject is at your service.

Mrs. Roy Teaney left Monday to attend the summer term at the Maryville Normal.

As two coaches of soldiers, enroute to Fort Dodge, were passing through Ravenwood Monday, a call came to Dr. Hunterson to come aboard the train, as a sick boy needed medical attention. The doctor responded, giving the aid necessary, and returning from Parnell.

The Sunday school of the M. E. church observed Memorial Day on Sunday, May 26, in connection with the closing exercises of the Sunday school. The veterans were given an invitation to be present. The special numbers consisted in singing patriotic songs, a reading, "Old Glory," by Gordon Joy; a selection, "The Blue and the Gray," by Miss Fay Jones; and a splendid speech by R. F. Allen.

A large crowd attended the moving picture show last Saturday evening, the attraction being local scenes, persons of local renown and pictures of the "boys" who have gone into the service of their country..

A WAR-TIME CAKE RECIPE

Well Known Ravenwood Woman Gives Recipe for Devil's Food War Cake

The following recipe is given by Mrs. Hunterson of Ravenwood, one of Nodaway county's well known women and also an expert in the culinary art:

DEVIL'S FOOD WAR CAKE.

1½ cups of sugar.
½ cup of butter, cream together.
½ cup sour milk.
1 cup of corn starch.
1 cup of barley flour.
½ cup of wheat flour.
1 teaspoonful of baking powder.
1 teaspoonful of cinnamon.
1 teaspoonful of soda, dissolved in the sour milk.
½ cake of Baker's chocolate, dissolved in ½ cup of boiling water. When cool add to the other ingredients. Flavor with vanilla.

Bake in layers and put together with chocolate nut frosting. Another substitute may be made by leaving out ½ cup of sugar and ½ cup of water and using 1 cup of Karo syrup, dissolving the chocolate in syrup.

This recipe is original with Mrs. D. J. Hunterson and has been tested and proven satisfactory.

Three Enlist In Navy.

Three Maryville boys passed preliminary examinations at the navy recruiting station at St. Joseph yesterday and were sent to Kansas City. They were Virgil S. Lyle and Homer Scott, second class seamen, and Joseph H. Gross, fireman, third class.

Announce Birth of Daughter.

Mr. and Mrs. William Simeon Gray of Santa Barbara, Cal., announce the birth, Tuesday, May 28, of a daughter. Mrs. Gray was formerly Miss Nelle Saunders of Maryville.

Gulbransen Player-Pianos

The phenominal success of the GULBRANSEN PLAYER is founded on real value. Wherever this remarkable piano is sold player business has increased. It is two instruments in one—as a piano to be played by hand it possesses a beautiful tone quality and a sympathetic action. As a player it is easy to play and simple to operate. Its price is reasonable, each piano being marked at the factory.

Gulbransen players are sold at the same price the world over, four models $425 to $575. We consider the Gulbransen the equal, if not superior, to pianos priced at $750 to $900.

Don't let some dealer make you believe other players are as good without investigating for yourself. We will be glad to demonstrate these players at our store or in your own home.

SAMMIES AND HANDSHAKE

Are Surprised to Note the Readiness and Frequency of Europeans to Shake Hands

The American soldiers who have arrived in France were astonished by the manners prevailing in Europe. Among other things they noticed how readily and often Europeans shake hands.

The Yankee, too, gives his hand. But how? The energetic handshake is a peculiarly American custom and he who takes part in it will not forget it quickly. For at least 24 hours afterwards he cannot use his right hand; 24 hours, always provided that complications do not set in. With them the handshake is an act of solemn assurance of friendship, and as such it is unnecessary to use it always, whether suitable or not. "Good morning" or "Good evening" they say to each other dryly, and do not shake hands for a quarter of an hour. The American grasps the hand of his wife, his child or his friend when he goes on a journey or at New Year's and he grasps their hands when he returns from his journey. American soldiers say that the Europeans light-heartedly gives a handshake to everyone, as if he were distributing advertisements. According to their idea the handshake signifies the sealing of some solemn promise, like signing a contract. Day by day there is no need of this. Americans draw the nice distinction that doing this is like addressing as "my dear friend" a person one does not really know at all, and whose name even is unknown. And what is more, Europeans call a man "thou" whose acquaintance they made only a week ago. "We Americans, we only say 'Thou' to God Almighty."—Neues Wiener Journal.

M. I. Circle Meeting.

The M. I. Circle met yesterday afternoon at the home of Mrs. Charles McNeal. After devotions and roll call the meeting was turned over to the hostess, who conducted an interesting program, which was as follows: Reading, "Greater America," Mrs. R. H. Duncan; victrola selection, and then a "stunt drill" in which Mrs. Robert Lyle won the prize. Mrs. L. R. Holt and Mrs. W. W. Stiwalt each told a short but interesting story. A "flower drill" was conducted by Mrs. McNeal, and Miss Esther Dietz and Miss Erma Green favored the guests with a pianologue. Miss Green gave a reading, and also sang, in her sweet way, three selections, "Poor Butterfly," "A Perfect Day," and "The Sunshine of Your Smile," with Miss Dietz at the piano.

Hope-Faris Wedding.

Miss Fannie Hope, daughter of Mrs. Thana Hope, was quietly married to Mr. Elmer E. Faris of Tarkio, at 3 o'clock yesterday afternoon at the home of the bride's mother, the Rev. C. Emerson Miller, pastor of the First Christian church officiating, and the ring ceremony being used. The bride was becomingly gowned in taupe satin, with trimmings of Georgette crepe and cream lace and wore shoes to match. Pink and white roses decorated the rooms of the Hope home and the same color scheme was carried out in the dainty luncheon which was served by the bride's mother, assisted by Mrs. E. L. Wilson, Mrs. E. A. Stark and Miss Charlotte Whelchel. The bride has for a number of years been the grammar grade supervisor of the Normal school of Maryville, and has been an active worker in the Christian church. Mr. and Mrs. Faris left for the Pacific Coast, where they will spend several months.

The guest list included: Mr. and Mrs. E. L. Wilson of Corning, Mo.; Mrs. E. A. Stark, Independence, Kan.; Mr. and Mrs. Egbert Jennings and daughter, Dorothy; Mr. and Mrs. Jas. Faris, St. Joseph; Elmer Faris, Jr., Tom Faris and Elizabeth Faris, Tarkio; Mr. and Mrs. Harry N. Faris, of Kansas City, Kan.; Mr. and Mrs. S. A. Faris, Tarkio; Rev. and Mrs. C. TEN STORES SUFFER PENALTY

Violation of Fifty-fifty Rules Result In Places Being Closed by the State Food Administrator

Columbia, May 29.—The store of D. C. Morrow in Campbell was ordered closed for three days recently by A. L. Stokes, county food administrator for Dunklin county. Morrow sold wheat flour without substitutes and in 48-pound sacks to city consumers.

Ten stores in the state have been closed for periods of from one to three days in the last six weeks by the Missouri division of the food administration for violations of the fifty-fifty rule which requires substitutes to be sold with every purchase of wheat flour. They are as follows: Five in St. Joseph, one in Maitland, one in Warrenton, one in Sikeston, one in Gibson and one in Campbell.

A milk concern in Kahoka was ordered closed for one-half day last week for failing to turn in a report as the regulations of the food administration require. The light penalty was due to the fact that this concern was the only market for milk in the town.

Obituary.

Emma Elizabeth Bond, daughter of Wm. M. S. and Isabella M. Bond, was born on a farm near Graham, Mo., August 14, 1871.

The greater portion of her life was spent in Graham.

For a number of years she followed the profession of teaching, in which she was very successful.

She afterward engaged in business in Graham. This gave her a wide circle of friends and acquaintances who were shocked at the news of her death, which occurred at her home May 23, 1918.

On August 12, 1896, she was united in marriage to R. H. Swank.

She was converted and joined the Methodist Episcopal church when a girl and has since been an active member of the same. For years she has been a teacher in the Sunday school and at the time of her death was teacher of a class of young women.

On May 22 she met with the Hickory auxiliary of the Red Cross of which she was instructor, and seemed to be in her usual health. She was enthusiastic in the Red Cross work and wanted to see the women push forward. She was a capable woman and could do well whatever she was interested in. She will be missed not only in the home but in many ways in the community life.

She leaves a husband, an aged mother and two sisters to mourn the loss that came so suddenly upon them.

The funeral services were conducted at the home Sunday, May 26, at 2:30 p. m. The body was laid to rest in the Prairie Home cemetery.

Mrs. Graves Aldridge of Quitman has been in Maryville the last few days with her young son, who has had a finger amputated. Mrs. Aldridge and little son left last night for Wilcox.

Mrs. John Snapp, 408 East Seventh street, is cooking peas and potatoes from her own garden.

In one week the aircraft patrol around the British Isles flies 30,000 miles.

Frank Hamilton of Elmo was among the out o ftown people in Maryville today.

Visit Cecil and Bertha Goforth.

W. E. Goforth and family went to Savannah yesterday to visit Cecil Goforth, who left for Camp Dodge, Ia. Mr. and Mrs. Goforth and children spent the afternoon in St. Joseph with Miss Bertha Goforth, who is ill in the hospital. Miss Goforth is rapidly recovering from an operation.

A Fight For Life

It has been fight or die for many of us in the past and the lucky persons are those who are now well because they heeded nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's, called "An-u-ric." You should promptly heed these warnings, some of which are dizzy spells, backache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as stone in the bladder.

To overcome these distressing conditions take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water, and at each meal take Anuric (double strength). You will, in a short time, find that you are one of its firm indorsers.

HIGGINSVILLE, Mo.—"For seven years I suffered severe pain in my back and the back part of my head. My kidneys were very inactive from time to time and sluggish. I was extremely nervous, had poor appetite, was melancholy, restless and completely worn out. I used every available remedy recommended for the kidneys, but obtained temporary relief only, but I can truthfully say that after using one package of Anuric all of the former symptoms disappeared and I feel like a new man."—REV. G. W. WATTS.

RIVERMINES, Mo.—"I have had kidney ailment and rheumatism for many years. At times I have had to give up and take to my bed. A short time ago just as I was able to sit up after having one of these spells, I saw Anuric advertised. It has given me wonderful relief. I am feeling better than I have for some time past. I have great faith in Anuric and am convinced if those suffering as I did will give it a fair trial they will get good results."—MRS. KATHERINE SCHULDHEIS.

Ask the druggist for Anuric (60c) or send Dr. V. M. Pierce, Buffalo, N. Y., 10c for trial pkg.

HE HADN'T ANY KICK COMING

A Farmer Comes to Town to Buy a Buggy and Finds Himself Winner Over the High Cost of Living

A Nodaway county farmer drove into town the other day to get an old-fashioned article—a buggy—and the salesman in a local vehicle house showed him one for $90.

"Talk about the high cost of living," the farmer grumbled. "I can remember that my father bought a buggy exactly like for $60 twenty years ago."

The salesman remebered the sale, too, and he responded quickly:

"Your father turned in three hundred bushels of corn to pay for it. Now, I'll do better by you than I did by your father. You bring in your three hundred bushels of corn and I'll let you pick out this list."

And the salesman wrote down:

One $90 buggy.
One $50 wagon.
One $20 suit of clothes.
One $20 dress.
One $5 baby dress.
One $3 box of cigars.
One dollar and fifty cents worth of coffee.
One dollars worth of tea.
Forty dollars worth of gasoline.
Two dollars and fifty cents worth of lubricatmg oil.

The total figured $240, the value of the three hundred bushels of corn it had taken to buy a $90 buggy 20 years bofore.

The farmer climbed back into his motor car. "I guess I haven't any kick coming on the high cost of living," he said. "Send that $90 buggy."

SOLD TOO MUCH SUGAR

Two Stores Are Ordered Closed for Violating Food Rules

Columbia, May 29.—For selling sugar in 100-pound quantities Willis Charlton of Kenoma was ordered to close his store Thursday and Friday of last week by G. W. Schreiner, food administrator for Barton county. The store of Joseph Schwartz in Tipton was closed four days last week by Thomas Carpenter, administrator for Moniteau county. Schwartz had sold sugar in 100-pound lots.

Silent pro-German appetites are as hostile to the Allied cause as disloyal utterances.

Each person in Missouri should limit himself to one and one-half pounds of wheat products a week.

HE NEEDED MORE RELATIVES

With a Pretty French Nurse to Write His Letters a Wounded Middy Longed for Additional Aunts

Somewhere in France, May 29.—Letter writing has become all the rage among the wounded U. S. marines confined to the base hospitals here.

The reason is a French stenographer, a pretty one, too, who has volunteered to write letters home for her incapacitated American brothers.

The petite Parisenne makes a daily visit to the marine hospitals for dictation—and the wounded devil dogs have suddenly become literary giants. They anxiously await her visits and fairly swamp her with mail.

"Gee, if I only had about three more aunts and six more cousins to write to," sighed one husky sea soldier, as the pretty little "steno" moved on to the next cot.

THERE'S a touch of militarism to the new styles, especially for young men. The shoulders are slightly accentuated and the five seam panel back gives the broad shouldered soldierly effect. The new colors are the various shades of blues and browns.

The older men have not been slighted either. They will find a touch of style in the new models that they'll be proud to wear.

But come and see. There are new clothes —new styles—new fabrics—new colors to suit all.

SUBSTITUTE RULE NOT CHANGED.

Columbia, May 29.—Substitutes must be sold with wheat flour on the fifty-fifty basis notwithstanding the limitations on sales of flour of six pounds a month for each person, F. B. Mumford, food administrator for Missouri, has announced. Some retail dealers and consumers have the mistaken impression that the new limitations have done away with the fifty-fifty rule. Substitutes will have to be sold with wheat flour until after the next harvest, at least, Mr. Mumford declares.

RATIONING IS HARD

ANY SYSTEM WOULD BE UNSATISFACTORY, SAYS HOOVER

POINTS OUT THE REASON

Fifty Per Cent of Population Are Producers and Cannot Be Restrained In Food Consumption

Columbia, May 29.—Many persons have asked why a system of flour rationing to conserve wheat has not been used by the food administration. The following statement by Herbert Hoover shows the attitude of the food administration toward such a system:

"Any system of positive rationing of the United States bristles with difficulties. Fifty per cent of the population are either producers or live in intimate contact with the producer and, therefore, cannot be restrained in their consumption by any rationing. The consumption of the very poor is not beyond the necessities of their health and strength.

"Our industrial population varies greatly in its habit of consumption of any given commodity in different parts of the country. Furthermore, this class of the community varies greatly in its habit in different sections of the United States as to the commodities they consume. For instance, the southern worker consumes not more than two pounds of wheat products per week per capita, whereas in some parts of the north he consumes eight pounds.

"Rationing of wheat on any broad national line would increase the consumption beyond necessity in the south and decrease it in the north below necessity. Furthermore, to adopt rationing as a positive system would cost the government 10 million or 15 million dollars annually for bureaucratic expense, as we should have to place tickets and coupons with every householder and a vast administrative organization would have to be raised.

MUCH MEAT SHIPPED IN APRIL

Exports Will Pass Record Made In March

Columbia, May 29.—Figures on meat exported, received by the food administration, for the first twenty days of April, indicate that the shipments for the entire month will be fully equal to the record shipments for March of 87 million pounds of beef products and 308 million pounds of pork products.

The total shipments of beef products for the first twenty days of April were 49,598,870 pounds, as compared with 46,399,913 pounds for the first twenty days of March.

The total shipments of pork products for the first twenty days of April were 196,067,343 pounds, as compared with 187,555,642 pounds for the first twenty days of March.

The largest exportation of beef for any month in 1917 was in April when it reached 51,974,963 pounds. In 1916 June was the highest month, with a total of 53,828,930 pounds.

TWO ENEMIES MADE ONE

A Romance of Our Civil War

THE death of Maj. Cassius E. Gillette in Philadelphia recalled to the Record of that city an interesting and romantic incident in the life of his soldier father-in-law, the noted General Hamilton of Columbus, Ohio. In the Civil war General Hamilton commanded a brigade in Sherman's army, being at the time one of the youngest brigadiers in the service. His command was a part of the host which, under Sherman, made the famous march to the sea.

After the army had passed through Georgia its route was deflected northward with the object of moving through the Carolinas. In North Carolina during a halt at a certain point in that state, General Hamilton was sent for by a young southern lady, the daughter of a former governor of the state, deceased, a strikingly handsome young woman and a belle. The general, whose youthful, soldierly figure was well calculated to attract the attention of the fair sex, supposed he was summoned by the young woman to receive a plea for the protection of her property, as it appeared she had been left an orphan in the possession of several large plantations, and repaired without delay to her residence, a stately southern mansion with a beautiful lawn and many fine old trees.

She received him with the dignity and ceremony befitting his rank, and the general saw he was in the presence of a beautiful brunette with an abundance of fire and spirit in her make-up. He expected to hear reproaches, but was agreeably surprised

Received Him With Dignity.

to find himself mistaken. The conversation at once proceeded on her part on a line direct.

"General," she said with a simple candor which at once enlisted his interest and sympathy, "all our young men, the flower of the South, have gone to the front and been killed in battle with your armies. None is left to whom we can turn, and I have sent for you to ask you what you intend to do for us women who have been left without the hope of finding mates among our own people. There are none left whom I, speaking for myself, would care to marry. Now, what are you going to do for us?"

She looked at the general, her dark eyes seeming, as he afterward said, to be seeking to read his soul. After a short silence she came to the point direct by proposing that he should marry her. She explained that she owned large landed properties but, the slaves having been set free, she could not obtain the labor to till her lands. She needed a man to lean upon.

General Hamilton, somewhat taken aback by a proposal he had not reckoned upon, rose to the necessity of the occasion, however, and with all the gallantry and sympathy inherent in an honorable man, explained to her that there was a little woman left behind in Ohio to whom his heart was pledged and that he expected the wedding bells to ring for them when the cruel war was over, which he felt sure would be

The General Explained Matters to the Young Officer.

very soon. But he had an idea he could be of service to her, nevertheless. He informed her that there was a young colonel in his command, handsome, brave and the soul of honor, who, so far as he knew, had no ties, and if she were agreeable he would take pleasure in bringing him to her house and introducing him. The young lady signified her willingness. The general went back to headquarters, sent for the young officer and after a private conversation with him they set out for the young lady's residence. There they were received with proverbial Southern courtesy and dignity, and after the introduction and the interchange of compliments the general withdrew.

"And, do you know," said General Hamilton in after years, "that in the closing days of the war those two 'enemies' were happily married and after the colonel was mustered out he settled there in the home of his bride and the last I heard of them they had seven children and everybody seemed to be merry and joyous on 'the old plantation.'"

Make no mistake about the place which this Decoration day of 1918 will hold in the history of the greatest republic of all time. It is one of the red-letter days in the most tremendous chapter of the world life of the American people.

SAMMIES GOT FREE TOBACCO

Smokes for U. S. Troops Cost Millions—"Y" Workers Resent the Charge That Sales Reap Profit

New York, May 29.—Reports from various correspondents that American soldiers at the front were considerably dissatisfied with the prices charged for tobacco by the Y. M. C. A. at its huts behind the lines were laid tonight before Dr. John R. Mott, general secretary of the Y. M. C. A., who said that the organization gave away an enormous quantity of tobacco besides that which is so l d.

It was the general practice, he said, to give cigarettes free of charge to soldiers in the front line trenches or just leaving them or in other emergencies. He estimated that the quantity thus given away last year by the Y. M. C. A. would exceed in value $1,500,000, in addition to the large quantities given for free distribution through the Y. M. C. A. by private individuals.

"This matter was looked into very carefully not long ago," said Dr. Mott tonight, "and it should be made very clear that even when tobacco is sold at regular retail prices the Y. M. C. A. does not make any profit. The quartermaster's department sells tobacco which it gets at government rates and with free transportation, therefore, the price is very low compared with that which the Y. M. C. A. has to charge even at cost.

"But if there is any profit made anywhere on individual sales it is far more than wiped out by the tobacco and cigarettes which are given away.

"At the Y. M. C. A. dugouts immediately behind the front line trenches coffee and tobacco are given free to the men actually holding the line or to those who are just being relieved. In the course of the year this amounts to hundreds of thousands of dollars secure it from Mr. Yeomans by call-ing at his office or by writing E. G. STATE FAIR CATALOGS OUT

Interesting Booklet Gives Complete Information About Missouri's Big Eight-day Event

County Clerk F. J. Yeomans has just received a shipment of the premium list of the 1918 Missouri State Fair, August 10-17, and a copy of this attractive book has reached this office. An element of patriotism is carried throughout its 204 pages.

This book contains all of the classifications of the state's big eight-day fair. The early dates of the fair has allowed a day and night program to be arranged. The government is encouraging the Missouri state fair by displaying several car loads of war materials. In this big war exhibit will be shown implements of warfare used on the battle fields of Europe. Many of the articles are relics captured from the Germans on the western front.

Several pages of the premium list are devoted to an explanation of the big pageant, "World at War," that will be given each night of the fair. Other pages give a brief sketch with illustrations of the entertainment features—automobile races, airplane flights, night horse show and horse races.

Those who desire a copy of the Missouri State Fair premium list may

POWER! Labor-saving power and machinery now becomes a war-time necessity to the American Farmer. Man-power must be released for actual fighting. Horses must be replaced with machine power to conserve both time and labor. Any farm machinery that will save time and labor helps to speed up farm production and thereby helps the Nation!

Those farmers and food producers who have need of power machinery in their farming operations this year will find this Bank ready and able to financially assist in its purchase. This is but one of the many services we place at the command of customers.

"The Hungry Heart."

Pauline Frederick, in her latest Paramount photoplay, which is shown at the Empire Thursday night, plays one of the most difficult and complicated roles of her career. This is the part of Courtney Vaughan in "The Hungry Heart," from the novel of the same name by David Graham Phillips, which was one of the "six best sellers" several years ago when it was first published.

A Big Wheat Saving Demonstration

Saturday, June 1

A factory demonstrator from the National Biscuit Company will be at our store on Saturday of this week—June 1—to show the value of the National's all wheatless products in co-operating with the nation's food administration to conserve the wheat, and also to show how excellent these products are as foods. She will be assisted by

MISS ANNA BAINUM, Domestic Science Teacher of the Maryville High School, who will also demonstrate the use of other wheat substitutes, and explain the various ways of using the various flours in the preparation of good foods.

Our Cracker Department is considered by the National Biscuit Company to be one of the best in the country, and we carry the largest stock and largest assortment of these goods in Northwest Missouri.

This demonstration will be both interesting and instructive, and we are pleased to extend a cordial invitation to everyone to attend. SATURDAY, JUNE 1.

Have Nebraska and Iowa Guests.

Mr. and Mrs. James Middleton entertained at dinner the following guests: Mr. and Mrs. William Kenworthy and sons, John and Clark, and daughter, Anna, of Pawnee City, Neb., and Miss Ruth Starkey of Des Moines, Ia., and Opal Middleton.

OLD AGE A CRIME!

Some people are young at 60—red cheeked, ruddy and vigorous. Others are old at 40—joints beginning to stiffen up a bit; step beginning to lag and lose its springiness; occasional touches of pain in the back; feel tired without cause, and possibly a twinge of rheumatic pain.

In most cases these are the danger signals to warn you that the kidneys are not promptly doing their work of throwing off the poisons that are always forming in the body. To neglect these natural warnings is a crime against yourself. If you have these symptoms you can find prompt relief in GOLD MEDAL Haarlem Oil Capsules. For more than 200 years this has been the recognized remedy for kidney and bladder ailments.

GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories at Haarlem, Holland. Get them at your druggists. Do not take a substitute. In boxes, three sizes.

Pure Bred License No. 685

IMP. KROISEUR NO. 82134 (91857)
From Photograph

KROISEUR is perhaps the best bred son of the $40,000.00 champion CARNOT. He not only has the most fashionable breeding, but is a real draft horse himself, weighing over 2200, with wonderful style and action. A beautiful black, having a fine coat of hair. That he is destined to be a great sire there is now no question.

He is now in regular service at our barn in South Maryville, Mo. We have other licensed horses and Shetland ponies also in service.

As so many inquiries are still being received for dates to PHENIX, I would say, he is in service of the State University Farm, under contract for a short time, hence is only available THERE at present; but will be "at home" later.

Thanking you all for your appreciation of him, I am,

Very respectfully yours,

Both Phones.
